

PROJECT TIMBER

Project Timber is a family owned and managed business with over 90 years experience in timber manufacturing. Owing to continued business growth we've a number of new and permanent vacancies at our 9 acre Head Office in Sutton on Trent, Nottinghamshire.

FORK LIFT TRUCK DRIVERS

This role will entail the safe operation of counterbalance and side loading fork lift trucks within our very busy yard.

SAW & MOULDER OPERATORS

Working in our Main Mill this role will involve setting and operating high capacity machines, tool changes, quality checks, and handling timber.

BENCH OPERATIVES

Working under supervision this role involves the pre-fabrication of timber buildings. The positions require the individual to be accurate, methodical, adaptable and confident in the use of hand tools.

For all these positions working hours are Monday to Friday 06.00am to 17.00pm.

We offer extremely competitive rates of pay, training and genuine development opportunities.

Send your CV to Nick Moon, Project Timber, Parry Works, Grassthorpe Road, Sutton on Trent, Newark, Nottinghamshire, NG23 6QX. Alternatively recruitment@projecttimber.co.uk

In addition to these specific positions we welcome speculative applications too, both yard and office based.
